

New Mr. Bonus Poses

We would like these 2 Characters but changing attire, he is becoming a Croupier (Gambling dealer), so the new attire will be a gold vest with black bow tie. I attached one example of the attire below.

ATTIRE: Same black pants, white shirt, Gold vest (same gold we used before) and black bow tie.

3.- A new pose leaning against with the croupier attire.

4.- And again this caracter with the new attire but with both thums up.
